

LUKE ELLINGWOOD, LEED AP

Mr. Ellingwood brings a fresh perspective on design and drafting techniques to Wimmer Yamada and Caughey. A graduate of Ball State University, Mr. Ellingwood plans and designs land and outdoor spaces for human use, enjoyment, safety, health and welfare.

Mr. Ellingwood's fine communication skills integrate the work of architects, engineers, planners to the benefit of Wimmer Yamada and Caughey's clientele. Luke is proficient in presentation graphics and well-versed in computer programs such as CAD , Sketch-Up, Adobe Photoshop, as well as numerous design-related programs.

Luke also serves as a professional role model, making a significant contribution to the community by volunteering for the ACE Mentor Program.
